Streaming Media magazine's

Who to See @ IBC

IF YOU ARE HEADING TO IBC and looking to find top companies specialising in online video products and services, look no further. Here's this year's list of our sponsors that have an exhibition presence amongst the sea of over 1,700 companies fighting for attention.

Streaming Media magazine will be at IBC in full force again this year. Visit us at Stand 3 in Magazine Alley (between Halls 8 and 9) to say hello and pick up information on our upcoming conferences: Streaming Media West and the Live Streaming Summit, which will be held in Huntington Beach, Calif., 2–3 Nov.

This year, *Streaming Media* magazine is also the media partner for IBC's Platform Futures conference stream.

If you'd like to meet with us, please don't hesitate to email us at **ibc@streamingmedia.com**.

Enjoy the show!

ADVANTECH

Enabling an Intelligent Planet

Advantech VEGA video solutions are designed to boost video infrastructure performance from acquisition to distribution at the lowest power budget while fully complying with the media industry needs. By providing access to the latest 4K/8K UHD video processing and IP media technologies on commercial-off-the-shelf IT platforms we accelerate the deployment of next-generation, open and more efficient video solutions across a wide range of applications from broadcast encoding and high-density OTT transcoding to cloud, mobile and 360° Virtual Reality video. Advantech's standard portfolio can be tailored to meet a wide range of system requirements, significantly reducing time-to-market effort for our customers.
