List of Figures iv

Foreword 1

Introduction 3

Executive Summary 5

- General Overview 5
- Survey 5
- Projections 6
- Set-Top Box Overview 7
- Wireless Overview 7
- Videogame Overview 8
- Internet Appliances Overview 8
- Network Operators Overview 8
- Handheld PC Overview 9

MARKETS AND DEVICES ▾

Chapter 1 | Wireless Market 11

- Overview and Analysis 11
- Suitability for Streaming 11
- Wireless Carrier Status 12
 - U.S. 13
 - Asia Pacific 13
 - Korea 13
 - Japan 14
 - Hong Kong 16
 - Singapore 16
 - Europe 16
- Streaming Applications 17
- Market Trends 18
 - Download 18
 - MPEG-4 18
 - 802.11 and Home Networking 19
 - Cultural Influences 19
- Major Industry Support 20
- Inhibitors 20
 - Standards 20
 - Cost 20
 - Consumer Demand 21
 - Consumer Confusion 21
- Business Model 22
- Survey Results 22

Chapter 2 Handheld PCs	23
Introduction	23
Overview and Analysis	23
Palm OS	23
Pocket PC	25
Others	25
Potential Drivers and Inhibitors	26
Cost	26
Manufacturers	27
Standards	27
Suitability for Streaming	27
Connectivity	27
Advantages and Disadvantages	27
Form Factor	28
Survey Results	28
Economics	28
Forecast	29
Chapter 3 Set-Top Box Market	31
Overview and Analysis	31
Suitability for Streaming	32
Set-Top Box Manufacturer Status	32
Market Trends	33
MPEG-2	33
MPEG-4	33
Windows Media Player	34
RealNetworks RealPlayer	34
Summary	34
Streaming Applications	34
Streaming vs. VOD	35
Inhibitors	35
Legacy infrastructure	35
Deployments and Developments	36
International	36
Market Projections	37
Survey Results	37
Chapter 4 Videogame Market	39
Overview and Analysis	39
Suitability for Streaming	40
Videogame Manufacturer Status	40
Streaming Applications	40
Drivers	41
Inhibitors	41
Market Trends	42
Market Projections	42
Survey Results	43

Chapter 5 Digital Video Recorders	45
Overview and Analysis	45
Deployment	46
Potential Drivers and Inhibitors	46
Cost	46
Manufacturers	47
Standards	47
Suitability for Streaming	47
Connectivity	47
Advantages and Disadvantages	47
Form Factor	48
Survey Results	48
Economics	48
Forecast	49
Chapter 6 Internet Appliances	51
Overview and Analysis	51
Manufacturers	52
Standards	52
Potential Drivers and Inhibitors	52
Suitability for Streaming	52
Connectivity	53
Form Factor	53
Cost	53
Advantages and Disadvantages	54
Survey Results	54
Economics	54
Summary	54
NETWORK OPERATORS ▼	
Chapter 7 Cable Market	57
Overview and Analysis	57
Suitability for Streaming	58
Cable Broadband Status	58
U.S	58
Asia Pacific	60
Europe	60
The Devices	61
The Content	61
Download	62
Business Model	62
Survey Results	63

Chapter 8 Satellite Market	6 5
Overview and Analysis	6 5
Suitability for Streaming/The Devices	6 5
Satellite Broadband Status	6 5
U.S.	6 6
Europe	6 7
Asia	6 7
Business Model	6 8
 Chapter 9 DSL Market	 6 9
Overview and Analysis	6 9
Suitability for Streaming/The Devices	6 9
DSL Broadband Status	6 9
U.S.	6 9
Asia Pacific	7 0
Europe	7 1
Business Model	7 1
